

Rydal Park

Take Pa Turnpike to Fort Washington exit. Stay to right to get on Rt 309 north immediately after the tollboth. Be careful, it is a tricky entrance ramp with a stop sign. Stay on Rt 309 to the Susquehanna Rd (I think it is the second exit). Turn right (east) on Susquehanna Rd. and stay on it until you reach Rt 611 (Old York Rd. – see map). You will know you are within a mile or so of Rt 611 when you cross over a grade-level railroad track at the Roslyn train station. At Rt 611, turn right (south) and at the bottom of the hill, turn left. Rydal Park is the large building after the shopping center on the left.
